Enrolling Your Child in the Preparatory Year [Prep]

Prep is full-time and not compulsory. Prep is available to all children of eligible age and there are no waiting lists.

Children need to be 5 by 30 June in the year they enrol in Prep. Target prep class size is 25 children. Print this brochure for more information about Prep programs at Bohlevale State School.

From 2008 the starting age for Year 1 will increase by six months. Children will need to be six by 30 June in the year they enrol in Year 1. As Prep is not compulsory some parents may choose to keep their children at home or send them to child care before enrolling in Year 1.
