- Staff Meeting communication in 2019 and 2020
- P&C Meeting communication in 2019 and 2020
- Student communication in 2020

Signs advising of the use of CCTV at Bohlevale State School have been affixed to be as visible as possible at;

- Each entry point to the grounds;
- All public areas where CCTV is in use;
- The administration block foyer area

7. Viewing of Footage

Collected CCTV footage is only to be viewed by authorised persons as outlined in Section 3.

Viewing of footage is only to occur at one of the school's installed monitoring stations. Only footage relevant to the intended purpose of the initial recording is to be viewed.

The location/s of monitoring station/s are to be secured at all times other than when in use, and the monitoring station PC is to be locked with password access. Only authorised persons as outlined in Section 3 are to have password access to monitoring stations.

8. Storage of Footage

Collected footage is stored on protected network devices, in cabinets which are to be secured at all times when not in use, to protect footage against loss, unauthorised access and modification.

All footage is to be retained for minimum time periods in accordance with the **Queensland Government General Retention and Disposal Schedule and the Education and Training Sector Retention and Disposal Schedule**.

Footage which is not required for an investigation, or related to the purpose for which it was initially obtained, will be deleted after the prescribed period, in accordance with the respective retention and disposal schedule.

The Principal has authority under an Instrument of Authorisation from the Director-General, Department of Education, authorised to dispose of public records under the [Public Records Act 2002 \(Qld\)](#), in accordance with the Queensland Government's Records Governance Policy, Records governance policy implementation guideline, and respective retention and disposal schedules.

Footage may be retained for an alternative use other than the purpose for which it was initially obtained, if:

- the footage is required for an investigation directly related to the primary purpose;
- relevant individual/s has expressly or impliedly agreed to the use for the secondary purpose;
- the use is necessary to lessen or prevent a serious threat to the life, health, safety or welfare of an individual, or to public health, safety or welfare;
- the use is authorised or required under law;
- the use is necessary for law enforcement purposes.

9. Disclosure of Footage

Footage may be disclosed to the Queensland Police Service (QPS) when 'reasonably necessary' for a law enforcement activity. This includes personal information contained in the footage.

Each request by the QPS or other law enforcement agency is to be assessed on a case by case basis. A request by the QPS will be made under the Department of Education procedure [Disclosing Personal Information to Law Enforcement Agencies](#). An applicable department pro forma for Law Enforcement Agency Disclosure is to be completed for footage that is provided to QPS.

The following persons are authorised to disclose footage to the Queensland Police Service in accordance with the Department of Education procedure [Disclosing Personal Information to Law Enforcement Agencies](#):

Name	Position
Michelle Donn	Principal
Lee Braney	Deputy Principal
Jodie Burton	A/Deputy Principal
Jeanette Mudie	Head of Department - Curriculum
Janett Rose	Business Manager

Authorisation is granted by the Principal, under Section 2 of this form. If a staff member outside of the School Executive Leadership Team is authorised to view CCTV, there must be documented evidence to support or justify this authorisation, which is to be retained by the Principal.

In the case of an individual applying for access to footage containing personal information about them, the school requires written notice to be forwarded detailing:

- The individual's details;
- The time and date their personal information was collected;
- The reason they are applying for access to footage.

This notice will be reviewed by the Principal and referred to the Department of Education Legal and Administrative Law Branch (LALB), and written notice will be forwarded to the individual regarding the result of their application.

In the case of a student's parent requesting to view footage containing their child after an incident, parents are to be referred to Queensland Police to make a complaint if they believe an offence has been committed, or they may forward a request to be referred to LALB as above.
